Message for HUD Approved Housing Counseling Agencies:

HUD is aware that the transition to the new Form HUD-9902, which is being utilized for the first time for Quarter 1 FY 2015, is creating challenges for many housing counseling agencies and client management systems. While the due date for the Quarter 1 reports remains January 31, 2015, the HCS system will remain open after that date, and agencies unable to report by the end of January will not be penalized.

HUD is determined to help agencies successfully transition to the new form. Please contact your HUD point of contact (POC) or housing.counseling@hud.gov with questions or requests for assistance regarding form HUD-9902 submission. HUD also has archival training webinars that can assist you in understanding form HUD-9902 and the procedures for filing your report. Visit our [webinar archive](#) to view the training. Additional resources are available on HUD's [website](#).
